EQUIPMENT & POWER REQUIRED

- **1x Laptop for Backing Tracks:** DI and power required to be fed through monitors and PA. Triggered by band.
- **1x Vox AC30 CC2 Guitar Amp:** Power required. Mic optional at sound engineer discretion.
- **1x Pedalboard:** Power required.
- **2x Shure SM58 / Stands**
- **1x Large Backdrop Banner**

NOTES

- Please provide floor monitors where possible.
- We can either use our own microphones, or in-house vocals if preferred.
- We will adapt to the stage and environment of the venue—placement is at the discretion of the sound engineer/venue.
- Vocal/guitar mix at the discretion of the sound engineer.

⚠ **VOCAL CUE:** Tom will sing lead vocals on one song. George will announce this from stage—please increase levels on Tom's microphone at this point.
