

TECHNICAL SPECIFICATION

Line-Up:

George - Backing tracks, lead vocal

Tom - Guitar, backing vocal

Contact Details:

Tom - 07447 480852

George - 07500 603704

Email - buckomusic@outlook.com

All Socials - @bucko_uk

Equipment/Power Required:

1x Laptop for backing tracks - DI and power required to be fed through monitors and PA. We will trigger the backing tracks ourselves.

1x Vox AC30 CC2 guitar amp - Mic optional at sound engineer discretion, power required.

1x Pedalboard - power required.

2x Shure SM58/stands.

1x Large Backdrop Banner.

Notes:

- Please provide floor monitors where possible.
- We can either use our own microphones, or in-house vocals if preferred.
- We will adapt to the stage and environment of the venue - placement is at the discretion of the sound engineer/venue.
- Tom will sing lead vocals on one song. George will announce this. Please increase levels on his microphone at this point.
- Vocal/guitar mix at the discretion of the sound engineer.
